## DOINGS OF PAST WEEK AMONG THE MACCABEES

Dr. E. D. Thompson, of Golden Rule Tent, No. 3, returned this week from New York State, where he had gone on the account of the death of his brother-in-law.

National Tent, No. 1, Georgetown Tent, No. 6, and Mount Vernon Tent, No. 4, in District of Columbia and Alexandria, Va., had off the month with initiation of new members.

State Commander D. W. Gail, visited Alexandria Tent, No. 2, last Monday night to witness the exemplification of the degree work, as well as to pay his official respects to the tent, which always receives him with applause and shows him the respect that his office requires.

State Commander Gail has extended to all his local organizations the invitation to participate in the exercises of Fraternal Night at the Masonic Fair, and each one has accepted, and a large body of them will be present. Maj. W. W. Burch will escort them with his two divisions of the Uniform Rank.

John L. Neeb, late record keeper of Georgetown Tent, No. 6, has just retired from the office by resignation on account of failing health, which is not only regretted by the members of the tent, but of the order in the city and the State Commander. He was one of the faithful and efficient officers.

At the first meeting night in May of the several tents in the District of Columbia and Virginia, will vote for representative and alternate to the supreme tent review, and the candidates, that have come out for the volunteer voting of the members in the tents, so far announced, are D. W. Gail, for representative, and C. G. Bates and L. N. Roetting for alternate.

W. G. Worrell, one of the bachelor Maccabees has joined the benefactors, and the members of Mount Vernon Tent and many friends in the city in and out of the order, are extending their hearty congratulations.

H. E. Crouch, deputy for National Tent, No. 1, has resigned and Joseph P. Moore has been appointed to fill the vacancy. Other important business made it necessary for Mr. Crouch to give up the place, which he had filled with so much credit to himself. Mr. Moore is a very enthusiastic Maccabee, and has had experience along this line, and will no doubt render satisfaction in every particular.

Next Tuesday evening Columbia HIVE celebrates its seventh anniversary with a birthday party.

At their last review Independence HIVE, No. 4, celebrated the first anniversary of its organization by initiating a class of four new members, serving refreshments and giving each member a souvenir. This HIVE will hold its first euchre on April 26.

Mrs. Melva J. Caswell, State commander, has just returned from a business trip to Baltimore in the interests of the coming rally.

The committee having the affair in charge is composed of members of the four garrisons of Washington—Admiral D. D. Porter Garrison, No. 6; Gen. William H. Barry Garrison, No. 26; Col. ## PORTO RICO ADDRESS BEFORE UNITY CLUB

The thanks of the club were formally tendered to Miss Hoffman for her delightful descriptive sketches.

A Spanish costume dance was given by Sonorita Rosita Dunn and Beulah Flagg, to the piano music of Miss Marie Becker. Its graceful rendering and closely interwoven love story told in pantomime carried one on the wings of imagination back to that land of romance and chivalry.

Charlton Howarth, a recent acquisition to musical ranks of this city, from England, won applause for his rendering of the "Queen of the Earth," and his encore, "My Pretty Jane," the song that made the fame of Sims Reeves, England's greatest tenor.

Miss Frances Johnson charmingly sang "Love's Sorrow," and for an encore "In the Palace of the King."

I have already had a number of inquiries about these bonds from members of the association, and I am sure that they will be in demand. In order to meet the demands of such as want to place small sums, arrangements will be made to issue some of them in denominations of less than \$500. Boston Hibernians Celebrate Their Golden Anniversary.

Division No. 1, Ancient Order of Hibernians, of Boston, celebrated on St. Patrick's Day the fiftieth anniversary of the institution of the division. It is not recorded that a similar event ever took place before in America, where a division of the Ancient Order of Hibernians, in continual existence for a full half century, publicly observed its golden jubilee. Division No. 1, of Boston, however, has the rare distinction of not only having continued uninterruptedly to exist during that period, but the records show that with the exception of the four years of the civil war, two meetings a month have been held with unvarying regularity for the last fifty years. A feature of the golden jubilee celebration was the presence of Edward Reilly, the first president, and only surviving charter member of the division, who is also regarded as the founder of the order in New England. This division was instituted on St. Patrick's Day, 1857.

Plan Initial Joint Meeting of the Knights of Columbus.

In addition to the three eminent speakers provided for the occasion—John G. Ewing, national director K. of C., Chicago; the Rev. Aloysius Brosnan, S. J., of Georgetown College, and Prof. Charles H. Captain Edward L. Cogan, prominent in the Spanish War Veterans of this city, is one of the most active workers of Division No. 3, A. O. H. His marshaling of the St. Patrick's Day procession at St. Aloysius Church won for him much commendation, and his general activity in the interests of the order is much appreciated by his associates.

The Rev. Father Fealy, assistant pastor of St. Joseph's Church, this city is actively interested in the affairs of the Knights of Columbus. ## IRISH-AMERICAN AND CATHOLIC SOCIETIES

### COLUMBUS KNIGHTS ARRANGE LECTURES

The complimentary lecture course of the Knights of Columbus, arrangements for which have been progressing for the past two weeks under the supervision of Dr. William B. Daly, chairman of the lecture committee of the Washington chapter, Knights of Columbus, began this evening at the Knights of Columbus Hall, Sixth and E streets northwest, when Patrick J. Haltigan, the editor of the National Hibernian, will deliver his lecture on "The Irish in the American Revolution and Their Early Influence in the Colonies." The lecturer has devoted considerable time to the study of his theme and brings out many strong points significant of the valiant services rendered by men of Irish blood in the great struggle for American freedom. Mr. Haltigan's lecture is illustrated with over 100 stereoscopic views, and it has been pronounced by competent judges as a most interesting exposition of the services of Irishmen in the great struggle of the colonies to win their independence.
